

**WELCOME,
BROTHERS!**
**It's really great
to see you!**

In celebration of the essential boy spirit, the Phoenix boys of Leather are excited to host the **2025 Western boy Run ("WbR")**! The Western boy Run (f.k.a. "Four Corners boy Run") began in 2013 in Phoenix as a way to bring together members of the leather boy community from Arizona, Utah, Colorado, and New Mexico to share brotherhood and build friendships. The Run evolved to include other states, and now welcomes leather boys from near and far. Each year a different leather boy club hosts the Run, and we're excited to host it this year!

PARTICIPATION

Participation in the event is open to self-identified leather boys and their significant others at least 18 years of age, regardless of gender, orientation, or appearance. All who register must understand that the **WbR** is a boy-focused event aimed at facilitating camaraderie and fun among the boys. At event locations, each boy must be allowed the freedom to fully participate and interact with other boys, unfettered by protocols that may otherwise exist between the boy and others.
